Ella has practised exclusively in estate planning since her admission as a Solicitor in 2013. She holds a Bachelor of Laws (with Honours) and a Bachelor of Commerce (Economics) from Griffith University as well as a Graduate Diploma in Legal Practice from Queensland University of Technology.

Ella takes pride in assisting her clients with their estate planning and enjoys tailoring practical solutions to meet their particular needs. She adopts a personal approach with each client as she knows all too well that no two clients are the same and that a thorough and well considered estate plan is often not a ‘one size fits all’ solution.

She has a particular interest in estate planning for blended families and for clients with structures such as companies, trusts and self-managed superannuation funds.
